Lt Cdr Prateek Bhamri
Deputy Manager Electrical
Naval Dockyard
Visakhapatnam - 530014

Dear Prateek,

1. I am writing this DO letter to convey my profound gratitude for the exemplary support rendered by your team in undertaking cabling work of E/F band radar installation.
2. The tenacity displayed by your team was singularly responsible for completion of this activity in shortest possible time frame. It will be a gross prejudice if I forget to mention the quality work undertaken by M/s ASMACS reps during the cabling activity.
3. I express my sincere gratitude for the support and assistance rendered by your Centre and look forward to your continued support to this ship in the days ahead.

With warm regards
